# The Entertainers Musical Theater Registration

## 2021-2022 Fall Jr. Entertainers Programs

The Entertainers Musical Theater program is focused on the education of the elements and the art of musical theater. The program keeps the spirit of musical theater alive through traditional themes, as well as, exploring new and exciting works that represent the latest trends in musical theater.

The Entertainers classes inspire students to become a true “triple -threat” (acting, dancing, singing). Training includes, but not limited to; dance for musical theater, tap, acting and improvisation. To participate, performers must attend designated classes at The Dancewerks Studio. We offer two levels of participation: Junior Entertainers (youth) and Senior Entertainers (teen/adult). The program works in collaboration with area vocal instructors to culminate in a well-rounded musical theater experience.

## For Your Information!

The music theater curriculum is progressive – each class is based on previously covered material, and the student’s consistent attendance is mandatory to succeed in the program. To gain the most from The Entertainers Musical Theater programs, the expectation is for the student to continue throughout the year. Our season runs from August through May.

The Entertainers Musical Theater program is committed to providing its students and teachers a safe and professional environment. We are also dedicated to upholding the privacy rights of students while also maintaining a wholesome, respected, and professional reputation in the local community. We expect that all students (and their respective parents, siblings, and other family members) will represent themselves and their family properly when posting any information about, affecting or in any way pertaining to The Entertainers Musical Theater program or its arts partners on ALL social media sites.

# The Entertainers Musical Theater Volunteer Opportunities

Volunteers are critical to the success of The Entertainers Musical Theater productions. In fact, without volunteers and sponsors, it wouldn't be possible to produce our unique, one-of-kind performances. Most jobs are simple and require minimal time commitments, however the more volunteers who pitch in, the more amazing productions we can provide.

***\*Each family is required to volunteer minimum of 5 hours per season, in lieu of volunteering, a \$100 donation may be made.***
